STAGING FOR OCCUPIED LISTINGS

Make your house stand out from the rest. Any house, regardless of price or location, shows better, sells faster and for a higher price when staged. In fact, professionally staged homes sell three times faster than unstaged listings, and staging can increase the selling price of a home from 2-10%, or more.

REDESIGN/ONE-DAY MAKEOVERS FOR HOME OR OFFICE

Fast, simple and fun, one-day redesign makeovers give your home or office a fresh new look with better functionality without a huge investment of time and resources – we use the furniture and accessories you already own! We can also help you source new furnishings and accessories as needed.

MOVE-IN ROOM ARRANGEMENTS

Just moved in? We'll finesse your furniture into just the right spot, hang artwork and accessorize to bring it all together, making your new space quickly feel like home.

PROFESSIONAL ORGANIZING, DECORATING AND SHOPPING

Let us convert your dreaded organizing, decorating and shopping tasks into liberating experiences. Casa Milagros Interiors seeks out the fabrics, furniture, rugs, artwork or other accessories to create the ambience you want.

HOLIDAY AND SPECIAL EVENTS DECORATING

Parties, holidays and other special occasions – what fun! We're full of ideas to decorate your home, patio or office for the celebrations of your life.

"I used Heather to stage my home after it had been on the market for about two months. What a huge difference it made! She enhanced aspects of the home that we didn't even know were there. It was sold in thirty days!"

Angela Fairchild, Santa Fe, NM

Turn your home or office into a beautiful, inviting place full of energy and style with innovative design and décor solutions. Whether you're just moving in, preparing to sell or simply ready for a quick change, **Casa Milagros** can help.

"Competitors rely on providing the furniture component, but none are equipped to work with a client's own furnishings, and to transform the home's appearance to a refined, sophisticated and luxurious look."
